Fisheries Department was created with the addition of 200 miles of coastal land after the integration of the new State. We have not got sufficient number of trained personnel to develop modern and inland fisheries. As fisheries development schemes are given top priority both by the State and Central Government in the interests of food production, especially from the Third Plan period, we require large number of trained personnel under all categories. Fishery Department is a growing Department and as such we have to recruit large number of candidates under all categories to cater to the growing needs of the Department concerned. So it is decided that

SECRET. No.AFD. 70 VFE.61

CABINET NOTE.

Subject:- C.25/62 - Cadre and Recruitment Rules - Department of Fisheries - Amendment to the.

---

30 The Minister for Agriculture, in his Minute dated 15-7-1961 (in file No.AFD 70 VFE 61) observed that "Fisheries Department was created with the addition of 200 miles of coastal land after the integration of the New State. The Department has not got sufficient number of trained personnel to develop modern and inland Fisheries. As Fisheries development schemes are given top priority both by the State and the Central Government in the interests of Food Production, especially from the Third Plan period, a large number of trained personnel under all categories are required. Fisheries Department is a growing department and as such large number of candidates under all categories to cater to the growing needs of the Department are required. So it is decided to fill up 66 2/3% of posts under all categories by direct recruitment and 33 1/3% of posts retained for promotion with a provision to permit all Government Servants who wish to apply for the recruitment quota, through the Public Service Commission.".

31 2. An institute called the Central Institute of Fisheries Education has been established at Bombay and it has commenced working from 1-6-1961. It imparts training to officers of the Department of Fisheries in all States in India. According to the Scheme, two officers from each State will be trained. When the matter was referred to Finance Department it held that it would be correct thing to lay down the necessary qualifications, providing for such training in the Cadre & Recruitment Rules of the Department, recruit the candidates through the Public Service Commission and then send them to the training as regular Government Servants. During the period of training they should be treated as on probation. The period of probation will be three years, consisting of two years of training and one year of performance in the Department. The candidates will given an undertaking binding themselves to serve the Department for a period of not less than five years.

32 3. The proposals for amendment were referred to the Public Service Commission for their concurrence. The Commission agree to prescribe age-limits at 37 years for Scheduled Castes and Scheduled tribes and 35 years for others but suggest that the age limits for persons serving in the Department may be prescribed at 47 years for Scheduled castes and Scheduled tribes and 45 years for others. They have not, however agreed to the proposed qualifications of a second class degree in science but suggest that existing qualifications may be retained, preference being shown to candidates possessing higher qualifications. They have agreed to increase the quota for direct recruitment viz., 66 2/3%

.../2

(10)

8

SECRET. NO.AFD.70 VFE 61.

by direct recruitment and 33 1/3% by promotion, wherever a lower quota has been fixed in the Cadre and Recruitment Rules. In partial variance with the suggestions of the Commission, it has been decided to prescribe the age of 47 years for Scheduled Castes and Scheduled Tribes and 42 years for others serving in the Fisheries Department.

33 4. Consequent on the issue of the C. & R. Rules of the Fisheries Department (Vide Notification No.GAD 51 CRR 57 dated 20-6-60), certain new posts were created in the Department. The posts of Research Officer, Superintendemt of Fisheries (Technology), Malpe and Superintendent of Fisheries (Information and Utilisation), Bangalore are to be merely included in the cadre strength and Recruitment Rules for the present.

35 5. The proposal has the concurrence of the G.A.D.(O&M) for the amendment of the Cadre and Recruitment Rules of the Fisheries Department. Approval amendments in the Cadre and Recruitment Rules. Two draft Notifications, as revised by Law Department are enclosed.

GOVERNMENT OF MYSORE.

Mysore Government Secretariat,
Vidhana Soudha,
Bangalore, dated,

NOTIFICATION.

In exercise of the powers conferred by the proviso to Article 309 of the Constitution, the Governor of Mysore hereby amends the Mysore General Service (Fisheries Branch) (Recruitment) Rules, 1960, namely:-

In the Schedule to the said Rules -

(1) for the entries in respect of the category of posts of Superintendents of Fisheries, in columns 1, 2 and 3, the following entries shall respectively be substituted, namely:-

" Superintendents of Fisheries (including the posts of Superintendent of Fisheries (Technology) Malpe, Assistant Director of Fisheries Research Officer, Bangalore, ~~Head Quarters Assistant~~, and Superintendents (Marketing) (Training), and (Information and Utilisation).	(i) 66 2/3 per cent, by direct recruitment and (ii) 33 1/3 percent by promotion by the cadre of Assistant Superintendents of Fisheries.	For direct recruitment:- (1) Age:- Must not be above 30 years in the case of candidates belonging to Scheduled Castes and Scheduled tribes; and 35 years in the case of others. Must not be above 47 years in the case of candidates belonging to Scheduled Castes and Scheduled Tribes serving in the Department of Fisheries and 42 years in the case of others serving in the said Department. (2) Qualifications:- A Degree in Science of a recognised university with Zoology as one of the subjects offered or an equivalent qualification, preference being given to persons possessing higher qualifications. (3) Training:- The selected candidate should undergo training at the cost of the Government at the Central Institute of Fisheries Bombay for a period of two years and should pass the test held at the Institute at the end of the course. Should he fail in the test, he is liable to refund to Government the entire amount spent on him for the training. He should also give the necessary undertaking binding himself to serve the department for a period of not less than five years.

.....P5/-

During the period of training, the candidate will be paid Rs.225/- per mensem; and on successful completion of training, he will be started on Rs.275-20-375-25-600.

(4) Probation:-

Three years.

For promotion: Must have passed the prescribed departmental tests and must have put in at least five years service". In case, suitable candidates with 5 yrs service are not available, suitable candidates with 3 yrs service may be selected.

(2) for the entries in column 2 in respect of the category of posts of Assistant Superintendents of Fisheries, the following entries shall be substituted, namely:-

"66⅔ per cent by direct recruitment; and 33⅓ per cent by promotion from the cadre of Fishery Supervisors and Yard Officers".

(3) for the entries in column 2 in respect of the category of posts of Mechanical Drivers, the following entries shall be substituted, namely:-

"66⅔ per cent by direct recruitment; and 33⅓ per cent by promotion from the cadre of Mechanical Instructors and Master Fishermen".

(4) for the entries in column 2 in respect of the category of posts of Hindi Pandits (Junior), the following entry shall be substituted, namely:-

"66⅔ per cent by direct recruitment; and 33⅓ per cent by promotion from the cadre of Assistant Teachers".

GOVERNMENT OF MYSORE

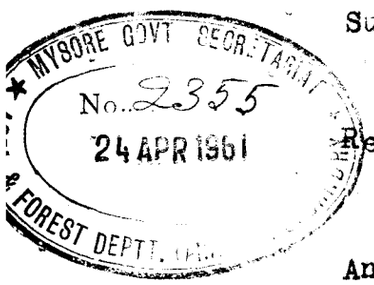
No.EST/ 1414 /60-61.

Office of the
Director of Fisheries in
Mysore, Bangalore-3.
Dated 11th April, 1961.

To

The Secretary to the Government of Mysore,
Agriculture and Forest Department,
BANGALORE.

Sir,



Sub: Cadre and Recruitment Rules -
Department of Fisheries -
Amendment - regarding.

Ref: Notification No.GAD 51 SRR 57
dated 20-6-1960.

...

An institute called Central Institute of Fisheries Education in India will be established at Bombay, from 1.6.1961, for training of officers required for the departments of Fisheries in all States in India. According to the scheme of the Government of India, two officers from each State will be trained and the intention of the Government of India is to train the recruits to the posts of officers. In this connection I invite kind atfention to Government letter No.AFD 76 VFE 59 dated 10.3.1960 (vide copy enclosed) where in it has been stated that it would be correct to lay down the necessary qualifications and provide for such training in the cadre and recruitment rules, recruit the candidates through the Public Service Commission and then send them to training as regular Government employees.

2. In the cadre and recruitment rules of the department issued under Notification No.GAD 51 GRR 57 dated 20.6.1960 (Vide copy enclosed), the qualification prescribed for direct recruitment for the posts of Superintendent of Fisheries (Class II Gazetted) and other equated posts are as follows.

Age: .. Must not be above 30 years.

P.T.O.

(1) A degree in Science of a recognised University with Zoology as one of the subjects offered or an equivalent qualification; candidate possessing a degree of M.Sc., shall be given preference.

(2) Experience in fisheries preferred.

Probation: One Year.

3. The above Cadre and Recruitment Rules do not suggest any qualification for the candidate deputed for training at any course. Hence as required in Government letter No.AFD 76 VFE 59 dated 10.3.1960, the qualification are to be amended. I, therefore, propose that the qualification for recruitment for the posts of Superintendent of Fisheries and other equated posts may be amended as follows;

Age: .. Must not be above 35 years.
(Note: The upper age limit does not apply to candidates serving in the Department of Fisheries).

(i) A second class degree in Science of a recognised University with Zoology as one of the subjects offered, or an equivalent qualification; candidates possessing a degree of M.Sc., shall be given preference.

Probation: Three years.

A candidate recruited directly is liable to be sent for training for a period of two years, at the Central Institute of Fisheries in India, Bombay, during the period of probation and should pass the test at the end of the training course. If he fails to successfully pass in the examination, the entire cost incurred for training, including the monthly amounts of Stipend will be recovered from the Candidate.

(ii) The selection of candidates is subject to the condition that the selected candidate executes a bond agreeing on a stamped paper to serve the department for a period not less than five years and to make good the expenditure incurred on training the candidate in the event of failure to do so.

(iii) During the period of training, the candidate will be paid Rs.225/- p.m. and on successful completion of the training will be started on Rs.275/- in the scale of Rs.275-20-375-25-600.

A statement showing the present qualification and the proposed qualification is enclosed herewith.

I, therefore, request that Government may kindly be moved to approve the proposed amendment to the Recruitment Rules for the recruitment to the posts of Superintendent of Fisheries and other equated post (Gazetted Class II) in the Department of Fisheries, and to communicate early orders in the matter. It is only after the draft Cadre and Recruitment Rules of this Department were approved by Government, the decision of Government of India to establish the said training centre at Bombay was received and hence the necessity for revising the rules.

Favour of early orders requested.

Yours faithfully,

for Director of Fisheries.

Encl: Statement.

Copy of letter No.AFD 76 VFE 59 dated 10th March 1960 from the Secretary to Government of Mysore, Agriculture and Forest Department, Bangalore to the Director of Fisheries in Mysore, Bangalore.

..:..

Sub: Establishment of a Central Institute of Fisheries Education in India.

...

In continuation of Government letter of even number dated 23.1.1960 addressed to Government of India and copied to you on the above subject, I am directed to state that in the case of Forest Department the Chief Conservator of Forests had worked out the requirements of the Range Officers for the third plan period and a phase programme of training in Forest College either in Dehara Dun or Coimbatore has been approved by the Government. I am therefore to request you to work out the requirements for the III plan period and get the phased programme duly approved by Government as in the case of Forest Department. In this connection, I am also to state that as in the case of two new recruits it would be the correct thing to lay down the necessary qualifications and provide for such training in the Cadre and Recruitment Rules, recruit the candidates through Public Service Commission and then send them to the training as regular Government Employees. Normal rule is to make them put in some work in the Department to gain some experience and then send them for training. However in the present case, since you have not enough officers to spare, Government have no objection to their being sent immediately after recruitment through Public Service Commission. During the period of training they should be treated as on probation and the pay during the training period should be Rs.50/- less than the minimum of the scale of which they are recruited.

AFD 70 VFE 61 dt. 1 21

Sub: Cadre and Recruitment Rules - Deptt. of Fisheries - Amendment - regarding.

To

The Secy: MPSC, B'lore.

Sir,

I am directed to state that the GOI have established a Central Institute of Fisheries Education in India at Bombay for training of Officers required for the departments of fisheries in all States in India. The intention is to train the recruits to the posts of Officers. It is considered proper to lay down the necessary qualifications and provide for such training in the Recruitment Rules itself so that the recruits could straightway be sent for training as regular Govt. servants.

2. A statement showing the present qualifications and the proposed qualifications is enclosed.

3. You are requested kindly to convey ~~concurrence of the Commission to the proposed amendments~~.

Issued 17/2/61

Y.J.

~~AD, AFD~~

Draft

(39)

2. Further, it is proposed to increase the ~~percentage of the~~ quota for direct recruitment under all Categories, wherever a lower quota has been fixed. Fisheries Deptt. was created with the addition of 200 miles of Coastal land after the integration of the new State. ~~We have no~~ There are not sufficient no. of trained personnel to develop modern and inland fisheries. As fisheries development schemes are given top priority both by the State and Central Govt. in the interests of food production, especially from the Third Plan Period, Govt. require large number of trained personnel under all Categories. Fisheries Deptt is a growing deptt and as such there is need to recruit a number of Candidates under all Categories cater to the growing needs of the Deptt. So it is proposed to ~~recruit~~ fill up 66 2/3 % of posts ~~for~~ by Direct recruitment and 33 1/3 % ~~by~~ by promotion. Those who are already in service will be eligible to apply for the recruitment as per rules.

You are requested kindly to convey the concurrence of the Commission to the proposed amendments.

OFFICE OF THE
PUBLIC SERVICE COMMISSION,
"ATTARA KACHERI"

Bangalore, dated. 23-9-61 *196*

FROM

The Secretary,
Mysore Public Service Commission,
Bangalore.

To

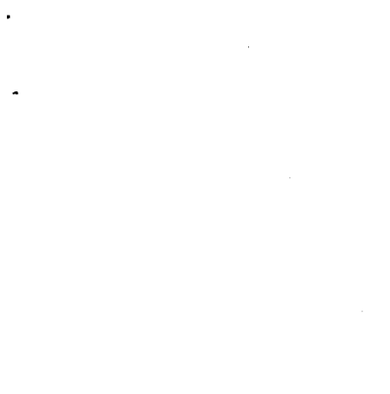
The Secretary to the Government of Mysore,
Agriculture & Forest Department,
Bangalore.

SIR,

Subject. Cadre and Recruitment Rules - Department of Fisheries - Amendment - Regarding.

Reference.....

With reference to your letter No.AFD 70 VFE 61 dated the 17th August 1961, on the above subject, I am directed to state that the Commission after examining the proposed draft amendment to the Mysore General Service (Fisheries Branch)(Recruitment) Rules, 1960 in respect of the posts of Superintendents of Fisheries (including the post of Headquarters Assistant and Superintendents, Marketing and Training) are of the opinion as follows:-



Shri Deshpande
27/9

Age:- It is proposed that the age must not be above 30 years for direct recruitment to the posts of Superintendents with a note that the upper age limit does not apply to candidates serving in the Department. In this connection, it is pointed out that for persons in service who have put in a continuous service of one year or have been holding appointments substantively, having been recruited according to the rules of recruitment, an age limit of 37 years for Scheduled Castes & Scheduled Tribes and 35 years for others, has been prescribed. So also, it is necessary to prescribe special age-limit for persons in service. Since the upper age limit prescribed for direct recruitment to these posts is 35 years, the following age limits may be prescribed for persons in the Department:

47 years for Scheduled Castes & Scheduled Tribes.
45 years for others.

(contd.....2)

Qualifications:- A second class degree in science with zoology as one of the optionals is proposed for direct recruitment to these posts preference being shown to M.Sc., candidates. The question of fixing higher qualifications for direct recruitment to these posts was already examined by the Commission before issuing the Cadre and Recruitment Rules for the Department and the existing qualifications were prescribed on the recommendations of the Commission communicated to Government in this office letter No.S.4343/58-59/PSC dated 27-11-1958. In the circumstances, the existing qualifications may be retained, preference being shown to candidates possessing higher qualifications.

The Commission also agree to the proposals of Government to increase the quota for direct recruitment as indicated below, under all categories, wherever a lower quota has been fixed in the Cadre and Recruitment Rules of the Department of Fisheries:-

66⅔% by direct recruitment.

33⅓% by promotion.

Yours faithfully,

(Y. C. HOMBALAYYA)
SECRETARY,
PUBLIC SERVICE COMMISSION.
29-9-61

mani/22-9-61.

No: AFD 70 VFE 61.

Draft Cabinet Note:

The Minister for Agriculture, in his minute dt) 15-7-61 (in file No: AFD 70 VFE 61, observed that "Fisheries Deptt. was created with the addition of 200 miles of Coastal land after the integration of the new State. The Deptt. has not got sufficient number of trained personnel to develop modern and inland fisheries. As fisheries development Schemes are given top priority both by the State and the Central Govt. in the interests of food production, especially from the Third Plan Period, a large number of trained personnel under all Categories are required. Fisheries Deptt. is a growing Deptt and as such we have large number of Candidates under all Categories to cater to the growing needs of the Deptt. are required. So it is decided to ~~recruit~~ fill up 66 2/3 % of posts under all Categories by direct recruitment and 33 1/3 % of posts retained for promotion with a provision to permit all Govt. Servants who wish apply for the recruitment quota, through the Public Service Commission."

2. An institute called the Central Institute of Fisheries Education has been established at Bombay and it has commenced working from 1-6-1961. It imparts training to Officers of the Deptt. of fisheries in all States in India. According to the Scheme, two officers from each State will be trained. When the matter was referred to FD. it held that it would be correct thing to lay down the necessary qualifications, providing for such training in the Cadre & Recruitments Rules of the Deptt., recruit the Candidates through the PSC. and then send them to the training as regular Govt. Servants. During the period of training they should be treated as on probation. The period of probation will be three

(37) 29

years. Consisting of two years of training and one year of performance in the Deptt. The Candidates will give an undertaking binding themselves to serve the Deptt. for a period of not less five years.

3. ⊕

4 ⊕. Consequent on the issue of the C&R Rules of the Fisheries Deptt. (Vide Notification NO: GAD 51 GRR 57, D) 20-6-60), certain new posts were created in the Deptt. The posts of Research Officer, Supdt. of Fisheries (I & V), Blore, and Supdt. of fisheries (Technology), Malpe, are to merely be included in the Cadre strength and Recruitment Rules ~~may~~ for the present.

5 ⊕. The proposal has the Concurrence of the GAD (O&M) for the amendment of the C&R Rules of the Fisheries Deptt. ~~It is therefore, Submitted to the Council for Approval~~ The council may be accorded to incorporate the proposed amendments in the C & R Rules. Two drafts Notifications, as revised by L. D. are enclosed.

Secy. to Govt.

27/12

⊕ 3. The proposals for amendment were referred to the P.S.C. for their Concurrence. ~~They~~ The Commission agree to prescribe age-limits at 37 yrs. for SCs + STs and 35 years for others but suggest that the age limits for persons serving in the Deptt. may be prescribed at 47 yrs. for SCs + STs and 45 yrs. for others. They ~~however~~ do not, however, agree to the proposed qualifications of a second class degree in science but suggest that existing qualifications may be retained, preference being given shown to candidates possessing higher qualifications. They have agreed to increase the quota for direct recruitment viz: 66 2/3 % by direct recruitment and 33 1/3 % by promotion, Wherever a lower quota has been fixed in the C&R Rules. In partial variance with the suggestions of the Commission, it has been decided to prescribe the age of 47 years for SCs + STs and 42 yrs for others serving in the Fisheries Deptt.

2

(Draft Council Note.)

The Minister for Agriculture, in his Minute dated, 7-1961 (in file No.AFD 70 VFE 61) observed that "Fisheries Department was created with the addition of 200 miles of coastal land after the integration of the new State. The Department has not got sufficient number of trained personnel to develop modern and inland Fisheries. As Fisheries development schemes are given top priority both by the State and the Central Government in the interests of Food Production, especially from the Third Plan period, a large number of trained personnel under all categories are required. Fisheries Department is a growing Department and as such large number of candidates under all categories to cater to the growing needs of the Department are required. So it is decided to fill up 66 2/3% of posts under all categories by direct recruitment and 33 1/3% of posts retained for promotion with a provision to permit all Government servants who wish to apply for the recruitment quota, through the Public Service Commission".

2. An institute called the Central Institute of Fisheries Education has been established at Bombay and it has commenced working from 1-6-1961. It imparts training to officers of the Department of Fisheries in all States in India. According to the scheme, two officers from each State will be trained. When the matter was referred to Finance Department it held that it would be correct thing to lay down the necessary qualifications, providing forsuch training in the Cadre & Recruitment Rules of the Department, recruit the candidates through the Public Service Commission and then send them to the training as regular Government servants. During the period of training they should be treated as on probation. The period of probation will be three years, Consisting of two years of training and one year of performance in the Department. The candidates will

give an undertaking binding themselves to serve the Department for a period of not less than five years.

3. The proposals for amendment were referred to the Public Service Commission for their concurrence. The Commission ~~concession~~ agree to prescribe age-limits at 37 years for Scheduled castes and Scheduled tribes and 35 years for others but suggest that the age limits for persons serving in the Department may be prescribed at 47 years for Scheduled castes and Scheduled tribes and 45 years for others. They have not, however agreed to the proposed qualifications of a second class degree in science but suggest that existing qualifications may be retained, preference being shown to candidates possessing higher qualifications. They have agreed to increase the quota for direct recruitment viz., 66-2/3% by direct recruitment and 33 1/3% by promotion, wherever a lower quota has been fixed in the Cadre & Recruitment Rules. In partial variance with the suggestions of the Commission, it has been decided to prescribe the age of 47 years for Scheduled Castes and Scheduled tribes and 42 years for others serving in the Fisheries Department.

4. Consequent on the issue of the C & R Rules of the Fisheries Department (vide Notification No.GAD 51 CRR 57 dated 20-6-60), certain new posts were created in the Department. The posts of Research Officer, Superintendent of Fisheries (Technology), Malpe and Supdt. of Fisheries (Information & Utilisation), B'lore are to be merely included in the cadre strength and Recruitment Rules for the present.

5. The proposal has the concurrence of the G.A.D.(O&M) for the amendment of the C & R Rules of the Fisheries Dept. Approval of the council may be accorded to incorporate the proposed amendments in the C & R Rules. Two drafts Notifications, as revised by L.D., are enclosed.

SECRET. No.AFD. 70 VFE.61

CABINET NOTE.

Subject:- C.25/62 - Cadre and Recruitment Rules - Department of Fisheries - Amendment to the.

The Minister for Agriculture, in his Minute dated 15-7-1961 (in file No.AFD 70 VFE 61) observed that "Fisheries Department was created with the addition of 200 miles of coastal land after the integration of the New State. The Department has not got sufficient number of trained personnel to develop modern and inland Fisheries. As Fisheries development schemes are given top priority both by the State and the Central Government in the interests of Food Production, especially from the Third Plan period, a large number of trained personnel under all categories are required. Fisheries Department is a growing department and as such large number of candidates under all categories to cater to the growing needs of the Department are required. So it is decided to fill up 66 2/3% of posts under all categories by direct recruitment and 33 1/3% of posts retained for promotion with a provision to permit all Government Servants who wish to apply for the recruitment quota, through the Public ServiceCommission.".

2. An institute called the Central Institute of Fisheries Education has been established at Bombay and it has commenced working from 1-6-1961. It imparts training to officers of the Department of Fisheries in all States in India. According to the Scheme, two officers from each State will be trained. When the matter was referred to Finance Department it held that it would be correct thing to lay down the necessary qualifications, providing for such training in the Cadre & Recruitment Rules of the Department, recruit the candidates through the Public Service Commission and then send them to the training as regular Government Servants. During the period of training they should be treated as on probation. The period of probation will be three years, consisting of two years of training and one year of performance in the Department. The candidates will given an undertaking binding themselves to serve the Department for a period of not less than five years.

3. The proposals for amendment were referred to the Public Service Commission for their concurrence. The Commission agree to prescribe age-limits at 37 years for Scheduled Castes and Scheduled tribes and 35 years for others but suggest that the age limits for persons serving in the Department may be prescribed at 47 years for Scheduled castes and Scheduled tribes and 45 years for others. They have not, however agreed to the proposed qualifications of a second class degree in science but suggest that existing qualifications may be retained, preference being shown to candidates possessing higher qualifications. They have agreed to increase the quota for direct recruitment viz., 66 2/3%

by direct recruitment and 33 1/3% by promotion, wherever a lower quota has been fixed in the Cadre and Recruitment Rules. In partial variance with the suggestions of the Commission, it has been decided to prescribe the age of 47 years for Scheduled Castes and Scheduled Tribes and 42 years for others serving in the Fisheries Department.

4. Consequent on the issue of the C. & R. Rules of the Fisheries Department (Vide Notification No.GAD 51 CRR 57 dated 20-6-60), certain new posts were created in the Department. The posts of Research Officer, Superintendemt of Fisheries (Technology), Malpe and Superintendent of Fisheries (Information and Utilisation), Bangalore are to be merely included in the cadre strength and Recruitment Rules for the present.

5. The proposal has the concurrence of the G.A.D.(O&M) for the amendment of the Cadre and Recruitment Rules of the Fisheries Department. Approval amendments in the Cadre and Recruitment Rules.. Two draft Notifications, as revised by Law Department are enclosed.
